MEMORANDUM FOR: Director of Intelligence, Headquarters,  
United States Air Force

25X1B

SUBJECT : Availability of [REDACTED] Information  
to AFOIN

1. Recently staff members of our Division of Techniques and Methods, Office of Research and Reports, discussed common problems of utilizing [REDACTED] with Lt. Col. J.C. Pickering III and Mr. Reuben Harding of AFOIN-3A. One of the subjects under discussion was the day-to-day availability of our comprehensive [REDACTED] information to analysts from AFOIN.

25X1B

25X1B

25X1B

2. This memorandum will confirm to you our previously stated position that this Agency is willing to provide access to all [REDACTED] data in our files to AFOIN analysts. We can furnish desk space and facilities to a limited number of analysts at any one time, and will be glad to provide basic support on file handling, reproduction, and print organization.
